

VITUAL SAAWA Science Fair 2021

We are pleased to announce that SAAWA will be holding its annual science fair virtually on April 25, 2021 via Zoom. More details are below:

- Long Island schools are invited to submit up to 10 science projects for inclusion in the fair. Each project may be completed by a team of up to 3 students. SAAWA will NOT accept submissions from students directly.
- Schools must pay a registration fee of \$30 per student. Checks are to be made payable to SAAWA and mailed to: SAAWA, 43 Erick Avenue, Hewlett, NY 11557.
- Interested student must complete Application form (must be typed) and provide powerpoint presentation of science project with voice. Presentation should include a clear audio with minimal background noise and student should be on camera and dressed professionally.
- It is the responsibility of each school to ensure that their students have active Zoom accounts by the time of the fair.
- The deadline for registration is March 31, 2021

If you have any questions, please contact Professor Subash Midha at 516-851-2792.
